

## Lands' End Uniform Details

There is no grade distinction as in the past. All students can wear St. Serra-designated uniform items and colors (navy, white, khaki, white plaid, or maize).

There are designated items for girls and boys. Unisex items are included in those categories.

The formal uniform is available in different fabric options for the following:

- White, short-sleeved shirts
- Navy vests and sweaters
- Khaki pants
- Plaid jumpers, skirts, and skorts (girls)

Formal uniform is optional for preschool students.

Our school logo is required on all polos, sweaters, vests, formal white shirts, and outerwear. Lands' End will automatically add the logo to these clothing items at an additional cost of \$8.95 per garment.

Monogramming is optional and is to appear under the school logo. The font style, size and stitch color will be automatic and standard for all students. Monogramming is only allowed on the following items:

- Sweaters and vests (student's LAST name)
- Sweatshirts and sweatpants (student's LAST name)
- Outerwear (student's LAST name)
