

ST. SERRA CATHOLIC SCHOOL

2024-2025 Volunteer Service Hours

Each family is asked to volunteer their time and talents in service to the school each year. These service hours help to build the St. Serra community while also supporting the needs of our school and students. Volunteer hours are based on the following:

- Preschool 2-day program - 5 hours per family per school year
- Preschool 3-day program - 10 hours per family per school year
- Preschool 5-day program - 20 hours per family per school year
- TK-8th Grade - 40 hours per family per school year

Volunteer hours for the 2024-25 school year will be accepted from June 16, 2024, to June 13, 2025. All hours reported must have been completed during the 2024-2025 school year (with the exception of hours completed during the summer months).

- **Any hours submitted after June 13, 2025, for the 2024-2025 school year will not be approved.**
- **Any hours submitted before June 14, 2025, for the 2025-2026 school year will not be approved.**

There are many opportunities to fulfill your hours, such as: assisting in your child's classroom, working as a room parent, supervising lunch, serving on a school board or committee, and volunteering at various school events throughout the year. There are also many options to fulfill hours from home.

→ Please visit Serra Cause Connect (our volunteer site) throughout the year to view and sign up for upcoming opportunities: <https://volunteer.serraschool.org>.

→ New opportunities go live every Monday morning at 9:00 a.m.

We know your time is valuable! Therefore, **if you do not fulfill your family's service hour requirement, incomplete hours will be billed at \$25/hour at the end of the school year.** Additionally, parents can 'buy-out' service hours at the same rate.

→ Have you logged in to your Serra Cause Connect account to verify your service hours? Your dashboard will show you the current number of hours that are pending review or have been approved. Each parent will need to log in to their Serra Cause Connect account to view their service hours. The annual requirement is per family, unless otherwise arranged with the school.

→ It is the responsibility of the family to verify how many service hours they must complete and whether they have met their family's obligations.

→ Service hours are approved on a monthly basis. During this review, hours may be denied if they are duplicate entries, exceed maximum allowed for an event (i.e. more than five hours in service to your parish), are not in service to the St. Serra community, or do not meet school approval requirements.

- A maximum of five (5) hours per family per year may be completed at your local parish. While we appreciate the time our families contribute to the parishes, the parent volunteer hours are intended to benefit the St. Serra school community.
- The donation of cash and items will not be recognized as volunteer hours (except when specifically noted).
- Some events may offer 'double' service hours. These opportunities will be noted.

- **New:** Service hours may NOT be submitted prior to the date hours are completed (i.e. submitting hours in July for a planned meeting in October). Hours submitted prior to the service date will be declined during the monthly approval of service hours.
- **New:** Service hours will be approved on a monthly basis, and within 30 days of a school event.
- Service hours can be waived by the school administration for special circumstances.
- Volunteer requirements:
 - Volunteers where students are present will need to complete the volunteer certification, which includes fingerprinting (Live Scan) and online Safe Environment Training.
