

**Kathryn M. Abbene, M.A., CCC-SLP**  
**Speech Language Pathologist**

**Speech/Language Price List**

- **Initial Assessment – Speech/Language** **\$250.00-300.00**  
A comprehensive assessment evaluates the student's ability to comprehend and use language, produce developmentally appropriate speech sounds, speak without hesitations/disruptions, and/or use expected vocal volume. It includes standardized testing, as well as professional informal evaluation and observations of the student across settings. Specific areas assessed: receptive/expressive language, articulation, social language, fluency, voice. A written report with goals and objectives is provided.
  - **Initial Assessment – Articulation Only** **\$200.00**  
A speech only assessment which evaluates the student's ability to produce developmentally and dialectically appropriate speech sounds. It includes standardized testing, as well as professional informal evaluation and observations. A written report with goal(s) and objectives is provided.
  - **60 Minute Speech/Language Therapy Treatment** **\$110.00**  
A treatment involves individual therapy activities designed to address identified areas of weakness. The student participates in skill development tasks presented in a multi-modality approach. Parent training may be included in the therapy session.
  - **30 Minute Speech/Language Therapy Treatment** **\$55.00**  
A treatment involves individual therapy activities designed to address identified areas of weakness. The student participates in skill development tasks presented in a multi-modality approach. Parent training may be included in the therapy session.
  - **30 Minute Speech/Language Group Therapy Treatment** **\$45.00**  
Students with similar goals and objectives work together to improve their skills. Areas that may be addressed in a group setting: social skills, articulation, language.
  - **30 Minute Speech/Language Therapy Consultation** **\$45.00**  
A consultation may include teacher(s), assistant(s), psychologist, parents and/or administrator(s). The team collaborates regarding the student's needs and the SLP provides recommendations and guidance in implementing strategies for the student's success within the school setting.
- ❖ Treatment begins after a Speech/Language or Articulation Initial Assessment has been completed. Goals and objectives are agreed upon with the parents and the student. Recommendations are made by the Speech Pathologist regarding the level of service, frequency, and time of day the student will be seen. Payment for assessment must be received prior to the release of a written report.
  - ❖ Fees for services are billed at the beginning of each month. For ongoing services, a minimum of 50% of the total estimated amount is due by the first day of the month. The balance due must be received no later than the 15<sup>th</sup> of each month, or it will be considered late. Late payments may result in discontinuation of service and/or loss of specific treatment spot during the school day.
