Choosing the right school and the right program for your child is one of the most important and challenging decisions a family makes. As a parent myself, I understand the trust you place in a school to educate, guide, and nurture your child.

At St. Serra School, we take that responsibility to heart. Our commitment is to provide a faith-filled, academically strong environment where every child is known, supported, and encouraged to reach their God-given potential. We partner closely with families to ensure that students grow not only in knowledge but also in character, confidence, and compassion.

We are honored that you are considering St. Serra and look forward to walking alongside your family on this important journey.

Senior Principal, St. Serra School
