

## Imagination Machine Entertains St. Serra Students with Their Own Stories

Following a three-year hiatus, the Imagination Machine was back at St. Serra on Monday, May 15, with a live presentation for our students in Grades TK through Six. Once again, this popular assembly did not disappoint, as our own St. Serra students saw their creative writing brought to life by professional actors with music, props, and costumes. The audience was able to enjoy eight hilariously entertaining presentations, including "The Epic Story of Gustave the Goat," "Blueberry Man," "Late to Work," and "Lost in the City." The following student authors had their creative stories presented at this year's Imagination Machine assembly:

Grade 1 - Rocky K. and Keilana R.

Grade 2 - Kaitlyn A., Mia C. and Ashton W.

Grade 3 - Brayden K. and Eleanor W.

Grade 4 - Eliana F.

Grade 6 - Alise E., Brenna M. and Matthew W.

Congratulations to these students and their teachers, Mrs. Gosch, Mrs. Peterson, Mr. Miyashiro, Mrs. Dimler, Mrs. Kennelly, Mrs. Joyce, Mrs. Jung, and Mrs. Wilhelm-Waters.
