

William H. Hannon Memorial Scholarship Contest Winners 2023

Congratulations to this year's William H. Hannon Memorial Scholarship contest winners, **Laura C. and Maverick W.!** Each year, every fourth-grade student conducts research and writes an essay about the life and influence of Saint Junipero Serra, and two outstanding essays are selected as winning entries by the Hannon Foundation. As our winners, Laura and Maverick will each receive a William H. Hannon Scholarship Award of \$1,000 toward their fifth-grade tuition at St. Junipero Serra Catholic School. Through the foundation's generosity, our school will also receive a \$1,000 grant toward our Educational Cost Assistance Fund. This is a wonderful accomplishment, and we are incredibly proud of these two young writers.
