

On behalf of St. Serra Catholic School Parent Teacher Organization (PTO), I'd like to extend a heartfelt welcome to all new and returning families. The 2025-2026 school year is a particularly special one as we celebrate our school's 30th anniversary!

The PTO is a vital partnership between parents, teachers, and staff at St. Serra. Our mission is to build a strong, faith-centered community, provide outreach and enrichment opportunities, and raise funds to support tuition assistance and other important school programs.

As PTO President, I'm excited to help deepen this partnership and foster opportunities that both celebrate our legacy and support a bright future for our students.

I encourage you to get involved – your time, creativity, and generosity have an incredible impact. Whether you join the PTO board, volunteer in the classroom, lend a hand at events, or contribute behind the scenes, you are helping shape the success of our students and our school.

Thank you for giving your time and heart this year. We are truly blessed to have such a vibrant and dedicated community. Let's make this milestone year one to remember!

With appreciation,

Lauren Hermann

PTO President, 2025-2026
