

## Making the right choice for your child...

Choosing the right school with the right program for your child is one of the most difficult decisions a parent must face.

Rooted in Faith and Vision, the community of St. Serra Catholic School welcomes children from the parishes of St. Kilian, San Francisco Solano, Santiago de Compostela and Holy Trinity. In the spirit of the Gospel, the parents, teachers, and administration of Serra Catholic School strive to educate and develop the unique potential of each student spiritually, academically, physically, psychologically and socially.
