Spring Sports Parents and Coaches: Your Help is Needed for St. Serra Sports Round UP!

Hello St. Serra Sports Fans!

We are excited to kick off the spring season of sports at St. Serra!

Have you have seen the "St. Serra Sports Round UP" section of the Sunday News?

Our goal is to use this weekly column to highlight our sports programs every week, but **WE NEED YOUR HELP!** We rely on our team coaches and sports parents to help provide newsworthy information and content. To that end, please send us any information and content related to the previous week in sports - things like:

- Final scores/game results
- Photos of teams and/or in-game action shots
- Game recaps (1 paragraph summary, 4-5 sentences max)
- Upcoming tournaments
- Team/player accomplishments

We would like to feature every team at least once throughout the season! **But we can't publish news we don't have, so please share your team's news and updates with us as often as possible!**

SEND SPORTS NEWS for the previous week (by Tuesdays at 8:00 p.m.) to:
sportsnews@serraschool.org.

THANK YOU!
