[St. Serra Students Participated in the S.C.O.R.E. Street Hockey Shootout on May 6, 2023](#)

The Anaheim Ducks hosted their annual S.C.O.R.E. Street Hockey event on Saturday, May 6, and the St. Serra fourth grade students who participated had a great time. “It was a great event, so well organized by the Ducks,” said Mrs. Ellen Burrola, Assistant Principal of the Lower School. “The kids had fun!” Our St. Serra team advanced from pool play to bracket play, where they were eliminated. There were a total of 24 teams in the tournament, with just one team emerging from single-elimination bracket play as the overall winner. Many thanks to Coaches Vlad Anderson and John Rodriguez; “Coach Rod” has been coaching our St. Serra street hockey team as a volunteer for the past 10 years. “He is so motivating, and the kids look up to him and respect him as a coach,” Mrs. Burrola shared. St. Serra is proud of our fourth graders for representing our school and participating in the tournament! [CLICK HERE](#) to view photos from the event - thank you Irvin Family for sharing!
