

## TRANSITIONAL KINDERGARTEN

# Why Choose St. Serra?

- Average Class sizes: 19 students
- A Kindergarten Curriculum is used in our TK program to introduce emergent reading, writing and math skills (Emergent means developmentally appropriate skills necessary before reading, writing, and math can happen).
- Children more readily develop healthy, positive self-esteem and master important fundamental skills needed for success in school
- Family Life - Growing with God
- TK serves children who do not meet the Kindergarten (K) age requirement.
- TK supports children who are age eligible for K, but who will benefit from extra time to grow their skills before they go to Kindergarten

Choosing the right school and the right program for your child is one of the most important and challenging decisions a family makes. As a parent myself, I understand the trust you place in a school to educate, guide, and nurture your child.

At St. Serra School, we take that responsibility to heart. Our commitment is to provide a faith-filled, academically strong environment where every child is known, supported, and encouraged to reach their God-given potential. We partner closely with families to ensure that students grow not only in knowledge but also in character, confidence, and compassion.

We are honored that you are considering St. Serra and look forward to walking alongside your family on this important journey.

Tim Tolzda  
Senior Principal, St. Serra School
