CAMPAIGNING

Campaign posters are to be given to the Assistant Principal (Mr. Overton) by the end of the day on **Friday, April 28, 2017**, and are subject to approval. Campaign materials are not to be displayed on the walls of classroom buildings. The posters will be hung by Student Council as directed by the Assistant Principal. Posters must be taken down by the end of the day on **Friday, May 5, 2017** (after speeches are made on SerraVision). Any delay could result in possible disqualification.

Each student is only allowed TWO standard posters (approx. 2’ X 2 ½”). Each poster must have holes punched in each of the four corners in order for Student Council to tie them to the fence. All posters must be picked up by the end of the day of the General Election speeches. Failure to do so could result in disqualification.

Anyone caught defacing another candidate’s posters or campaign materials will have their posters removed and will be immediately disqualified from the election. Candidates must avoid any ploys or dishonest means of swaying the student vote (e.g. students should not make promises that they cannot uphold, they should not tell stories to invoke pity or pressure on voters.)

Students cannot give away any items/gifts during the course of campaigning, except badges/buttons/stickers. Each candidate may choose only two friends to help distribute these materials. Any other person handing out the materials may lead to a disqualification of the candidate.

The two people who will assist me in giving out badges/buttons/stickers are: (must be determined before running for office)

__________________________________________________________________  ___________________________________________________________________

A student may only be given one badge/button/sticker per candidate per day to be worn on their uniform. More than one sticker per person may disqualify a candidate from handing out any more stickers. These items are not to be placed on buildings, desks, or any other school property. If a candidate’s sticker is found on school property/grounds, they will be responsible for cleaning off the stickers. 8th GRADERS MAY NOT RECEIVE STICKERS OR ANY OTHER MATERIALS RELATED TO THE ELECTIONS. THEY DO NOT VOTE. Campaign materials may not exceed $25.00. Receipts may be asked for if the candidate looks to have spent more than the allotted amount.

SPEECHES

Candidates for all offices are required to make a 1-2 minute speech to the faculty panel prior to the elections on Serravision (Wednesday, April 26, 2017). The candidates will be stopped when the time limit of 2 minutes is reached regardless of where they are in their speech. Following the speech preview, the candidates will deliver their formal speech on Serravision (Friday, May 5, 2017) and ballots will be passed out to grades 4-7 following this session. The purpose of the speech is to introduce the candidates to the voters and to give the candidates an opportunity to present their views on particular offices and Student Council in general. Speeches should demonstrate the leadership qualities of the candidate and should stress the serious nature of the election and should not be exclusively amusing.

Candidates must dress in their formal school uniform on the day of the election. Parents may watch the speeches, but they cannot vote or assist in props.

A bit of advice: Please practice your speech and speak SLOWLY. Relax. Every candidate is nervous. We are aware that it takes character to put yourself out there in the service of your classmates and your school.

Candidates May Not:

- Speak for longer than the time allotted (2 minutes maximum).
- Make promises that are not theirs to keep, such as: no homework, longer recesses, more free dress days, etc.
- Speeches must be positive in nature and not derogatory toward any student, staff member, or activity.
- Skits and small props may be used during a speech. Props should not inhibit the view or voice of the candidate. Other students, siblings or parents may not participate in the speech. Props must be present when practicing speech with the moderator(s), or they will not be allowed to be used in the formal speech.
- Students may not give out candies, treats, or other promotional items during their speech.
- Students may not alter their speech between the practice and the general election. It must be the same speech or the student will be disqualified.
